RE: Earman River – North Palm Beach Properties

Good Day,

As you are aware North Palm Beach Properties is trying to liquidate their portfolio to adjacent land owner(s) of their properties fronting the Earman River. We have met with all of you to date and would like to inform you that we feel like we are making progress.

At this time, North Palm Beach Properties will not be authorizing or signing any permits to allow improvements to their property(s) and/or submerged lands along the Earman River. We would like to bring this to your attention so you are aware if any permits come across your desk you will understand our position.

We appreciate your cooperation and look forward to resolving and settling some of these long standing issues involving North Palm Beach Properties and the Earman River.

Sincerely,

Kim Schwencke, President
